## **Imagine** Jill Barnett

After years imprisoned on Devil's Island for a murder he never committed, escaped convict Hank Wyatt knows how to survive and believes his luck has finally changed. But when he stows away on board a ship destined to sink, his luck turns bad. He doesn't know if he can last an hour when he is marooned on a deserted island with a beautiful, know-it-all blonde attorney and three orphaned children. Suddenly looking out for number one doesn't seem to be enough.

San Francisco attorney Maggie Smith wants to have a good cry. Thoroughly modern, wealthy, and bright, her unwanted holiday turns bad when she is suddenly cast in the role of mother and forced to battle wits and hearts with the most arrogant, pig-headed man she's ever met.

Fate has thrown this makeshift family Robinson together, and kismet tosses in a 2000 year-old floating bottle filled with magic. Is the chance for a love more powerful than they could ever imagine only a wish away? Father Goose meets Donovan's Reef in this funny and tender historical romance about misfits who find that life might not be so bad after all...if they can do the impossible, and find a way to be family.
