Easily Find Retail Products In Your Local Retail Stores & Resell Them On Amazon For PROFITS Of 300% And Higher

Whether you are looking for extra income, or seeking a full-time business opportunity, this book will explain the exact online selling process anyone can replicate, but very few do. Learn how I make close to \$3,000 a month with Amazon by reselling items found in local retail stores.

I only work part time hours, and am able to do this while maintaining a full time job. In this book you will be exposed to the very business model I follow - one that eliminates most of the risk other online sellers face, and creates a system where Amazon does most of the work for you.

I refer to this business model as "**Retail Flipping**" - which is ultimately the process of buying extremely discounted products from your local brick and mortar stores and reselling for high profits on Amazon.

Why Selling On Amazon Is the Best Home Based Business For Almost Anybody

By 2014, online retail sales are projected to hit \$250 billion. Start today by leveraging Amazon's online marketplace and become one of the early entrants to the fastest growing and most profitable industry.

In this book you will be exposed to:

- The reselling business model I follow, which allows me to make a full time salary in less than 18 hours of work a month
- How to find highly profitable items anywhere to sell on Amazon for up to a 10x markup
- How to leverage Amazon's e-commerce platform so you work less, focus on the highly profitable tasks, and earn more than other sellers

Bonus Case Study

Walk with me as I fully document one of my recent months selling on Amazon. I break down the numbers, inventory, sales, and strategy that helped me earn \$2,800 in PROFIT. You will see first hand how my system works, and how you can replicate or surpass my efforts in a matter of weeks.
