The Cambridge Mozart Encyclopedia

The Cambridge Mozart Encyclopedia

Mozart's enduring popularity, among music lovers as a composer and among music historians as a subject for continued study, lies at the heart of The Cambridge Mozart Encyclopedia. This reference book functions both as a starting point for information on specific works, people, places and concepts as well as a summation of current thinking about Mozart. The extended articles on genres reflect the latest in scholarship and new ways of thinking about the works while the articles on people and places provide historical framework, as well as interpretation.
