A Thief's Punishment (Taken by the Billionaire) Piper Foxley

When Katie, a top-notch thief, receives a commission to steal a triad of paintings from the home of the wealthiest man in town, she thinks it'll be a snap. She certainly isn't afraid of a challenge, and the money to be earned is irresistible. But she isn't expecting to come face-to-face with Neil Blackwood, the billionaire himself, and she certainly isn't expecting him to take matters into his own hands and dish out her punishment himself!

Neil presents her with a choice: she can either stay with him for one week and allow him to try to *rehabilitate* her, or she can go to the police. Can Katie submit to him the way he's asking her to? Or will this hit to her pride as a thief prove too much for her to take?
