Do you want to take your English learning to the next level? *Fluent English* is the ideal course for developing native-like fluency in English. It focuses on the English learning essentials—idiomatic expressions, verbs, practical vocabulary, and grammar usage in context—and builds listening comprehension as well as pronunciation and intonation skills. In this program you'll find numerous opportunities to practice speaking English, as well as listening, writing, and reading English. You'll also learn essential information about living and working in the United States. The course includes a 224-page textbook and three hours of recordings on three CDs.

Fluent English also includes a flashcard CD-ROM that gives students the chance to learn and practice common English idiomatic expressions - a multi-media approach to practice that improves retention..
