Ibiza and Formentera (Sunflower Landscapes)

Hans Losse

Ibiza and Formentera (Sunflower Landscapes) Hans Losse

Until the sixties, Ibiza belonged to the Ibizans, and only a few artists, poets and writers lived in this paradise. Then the flower-children arrived, the hippies and drop-outs. In the last decades however, mass tourism has taken over and unfortunately destroyed much of the charm of Ibiza and Formentera. But not everything on the islands has been spoiled. Bed and burgerbar building has reached saturation point, and a visit to the pine islands (the Pityussae, as the Greeks called them) is still worthwhile today. There is an unending wealth of hidden beauty spots to be discovered, and this book helps you to find the best of Ibiza and Formentera by car, bicycle, or on foot. Area covered: The book covers all of both islands. The best months for walking on Ibiza and Formentera are March to June and September/October.
