Immortal Obsession: An Immortal Prophecy Series Novel - Book One J.G. Sauer

I love a good romance and all things paranormal, so this Immortal Prophecy series is very near to my heart. It's a paranormal romance with a slightly different take on the Arthurian legend and mythology. In this story, Merlin and Morgan le Fay weren't witches or sorcerers, but powerful Elemental Immortals, able to manipulate the elements at will. These stories revolve around a prophecy (really, what good paranormal tale involving Ancients wouldn't have one?) and a young Immortal's fate as the Chosen One. Paired with her preordained warrior, they are destined by prophecy to defeat an evil Immortal bent on gaining ultimate power and upsetting the balance of the Universe. The story of a female Highlander meeting Aragorn from Lord Of The Rings in a contemporary world, the series is a love story wrapped in a grand and treacherous journey.

Danger is coming for Dory Winthrop, a danger centuries-old and bent on revenge. Dory may be an Immortal, but even with 300 years under her belt she's still an infant in the Immortal world. Now, an ancient evil has returned, a mighty Immortal bent on destroying her to gain his own ascension. She's faced Darius, High Priest of Avalon previously and was lucky to escape with her life, but this time around she may not survive. She's honed her immortal powers over the last century, but will it be enough to best him in a face-to-face battle? This time she's got help, whether she wants it or not, from a hunky ex-cop who won't take no for an answer. Is he her Chosen Warrior? Can she count on him to stand with her, or will he ultimately be her downfall?
