Internet Predators (Library in a Book)

Harry Henderson

Internet Predators (Library in a Book) Harry Henderson

"Internet Predators" discusses the struggle to combat criminal and antisocial activity online and to prevent victimization - without excessively restricting the freedom that has helped make the online world a vital part of the U.S. economy and society. It focuses on the individual online user and on what service providers, regulatory agencies, law enforcement officials, legislators, and others can and should do to protect the online public.
