O.J. Simpson: The True Story

"O. J." Simpson, nicknamed "the Juice", is a retired American football player, broadcaster, actor, and convicted felon. Simpson played college football for the USC Trojans for the University of Southern California, where he won the Heisman Trophy in 1968. He then played professionally in the National Football League as a running back for 11 seasons, with the Buffalo Bills from 1969 to 1977 and with the San Francisco 49ers from 1978 to 1979. In 1995, Simpson was acquitted of the 1994 murders of his ex-wife, Nicole Brown Simpson, and Ronald Goldman after a lengthy and internationally publicized criminal trial, the People v. Simpson. In 1997, a civil court awarded a \$33.5 million judgment against Simpson for their wrongful deaths.

Simpson was the first NFL player to rush for more than 2,000 yards in a season, a mark he set in 1973. While six other players have passed the 2,000-rush yard mark, he stands alone as the only player to rush for more than 2,000 yards in a 14-game season; the NFL changed to a 16-game season in 1978. He holds the record for the single season yards-per-game average, which stands at 143.1. Simpson was inducted into the College Football Hall of Fame in 1983 and the Pro Football Hall of Fame in 1985. After retiring from professional football, he had a career as a football broadcaster and actor.

In September 2007, Simpson was arrested in Las Vegas, Nevada, and charged with numerous felonies, including armed robbery and kidnapping. In 2008, he was found guilty and sentenced to 33 years' imprisonment, with a minimum of nine years without parole. He is serving his sentence at the Lovelock Correctional Center in Lovelock, Nevada.
