Predator's Kiss (Gemini Island Shifters Book 1) Rosanna Leo

Rosanna Leo weaves a fun, exhilarating tale in Book 1 of her new Gemini Island Shifters series. Thrills, suspense, and humor abound when a rock star brother, stalkers, and a sexy erotica author descend on one ornery bear shifter. Find out for yourself what happens when events conspire to awaken the bear!

Bear shifter Ryland Snow just wants peace. The peace and quiet afforded him at his woodsy retreat, the Ursa Fishing Lodge. As owner of the lodge, Ryland enjoys the tranquil life he's created among his fellow shifters. He lives to maintain a safe haven for them, away from meddling human eyes.

When his rock star brother arrives, bringing trouble in the form of a possible hit man, Ryland is incensed. He's been cleaning up Soren's messes as long as he can remember, and is tired of his brother's lecherous exploits.

Things go from bad to worse when Lia Goodblood stumbles upon Ryland and his lodge. Yes, the reclusive erotica author is easy on the eyes, but the human woman is more trouble than she's worth. To say nothing of her bizarre fear of furry creatures.

Ryland determines to rid himself of her presence. But when he learns she's on the run from a crazed fan, Ryland's protective bear instincts flare. And the bear won't be denied.

Content Notes: Paranormal, Shifters, Contemporary, Spicy

From reader reviews:

Veronica Roberts:

As people who live in the actual modest era should be update about what going on or facts even knowledge to make these individuals keep up with the era that is always change and move ahead. Some of you maybe will update themselves by reading books. It is a good choice in your case but the problems coming to an individual is you don't know what one you should start with. This Predator's Kiss (Gemini Island Shifters Book 1) is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

Larry Dolin:

Reading a reserve tends to be new life style within this era globalization. With reading you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Plenty of author can inspire their own reader with their story as well as their experience. Not only the storyline that share in the publications. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors in this world always try to improve their ability in writing, they also doing some analysis before they write to the book. One of them is this Predator's Kiss (Gemini Island Shifters Book 1).

Terry Kiser:

People live in this new day time of lifestyle always aim to and must have the extra time or they will get large amount of stress from both everyday life and work. So , when we ask do people have free time, we will say absolutely without a doubt. People is human not really a robot. Then we ask again, what kind of activity do you have when the spare time coming to a person of course your answer will unlimited right. Then do you try this one, reading books. It can be your alternative with spending your spare time, often the book you have read is usually Predator's Kiss (Gemini Island Shifters Book 1).

Kyle Smallwood:

This Predator's Kiss (Gemini Island Shifters Book 1) is great e-book for you because the content and that is full of information for you who else always deal with world and also have to make decision every minute. This particular book reveal it data accurately using great plan word or we can say no rambling sentences inside it. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with beautiful delivering sentences. Having Predator's Kiss (Gemini Island Shifters Book 1) in your hand like getting the world in your arm, details in it is not ridiculous one. We can say that no e-book that offer you world with ten or fifteen tiny right but this e-book already do that. So , this is good reading book. Heya Mr. and Mrs. busy do you still doubt that will?
