Taking advantage of a married man can be difficult. Unless of course you are a 19 year old college student who seeks to get revenge on a bitchy wife that thinks disrespecting her is a good idea. When Julie brushes off Lexi at their initial meeting, Lexi hatches a plan to get back at her the best way she knows how; by sleeping with her husband Bryce.

With subtle flirtations and a damsel in distress situation, it didn't take long for Bryce to give into the power of persuasion. They made plans to meet after Julie goes to work, where they could have Bryce's house all to themselves. Frustrated at his timidness and needing to know if what she felt rubbing up against her was really as big as she imagined, Lexi decides to sneak up to his bedroom where she does something to turn Bryce into the animal that she wants him to be.

Things get hot and heavy as Bryce can't control himself anymore. Lexi will get her revenge on Julie but she doesn't know when to stop and might have just trapped them all for the rest of their lives.
