Historical Dictionary of Slavery and Abolition (Historical Dictionaries of Religions, Philosophies, and Movements Series)

Martin A. Klein

Historical Dictionary of Slavery and Abolition (Historical Dictionaries of Religions, Philosophies, and Movements Series) Martin A. Klein

Slavery's origins lie far back in the mists of prehistoric times and have spanned the globe, two facts that most history texts fail to address. This comprehensive volume provides a historical overview of slavery through the ages, from prehistoric times to the modern day, while detailing the different forms, the various sources, and the circumstances existing in different countries and regions. As a broad reference source, it provides a complete look at slavery by discussing the causes and cures, as well as the plight of those who fought for and against it.

Every public, college, and high school library will want this available for students and other researchers.
