Success in studying isn't difficult. But one must first learn the secrets of "how to study." Why is it that every new teacher one inherits along the path to graduating high school has assumed that the teachers from the past grades have taught their students how to study? They may have taught course content, but not the way in which one learns the content. Because of this, students are working in ways that do not maximize their true potential. Raise Your GPA 1 Full Grade helps create an even playing field for all learners. The areas covered in this text are: time management, listening skills/note taking, reading for speed and comprehension, writing with a purpose, taking the fear out of examinations, how to outline, using mnemonics, and how to use resources (library, Internet, dictionary etc.) Raise Your GPA 1 Full Grade calls for no extra homework, and is as easy to use as working your way around the Monopoly board and collecting \$200.00. It's nice when someone learns they can succeed!
