That Used to be Us -- How American Fell Behind in the World it Invented and How (Chinese Edition)

Thomas L. Friedman

This book puts forward comments of many successful entrepreneurs and points out that they never give up their American Dreams and the precipitant attitude and action. Friedman comes up with suggestion further according to the plight of America, including revitalizing traditional core value and establishing new third party movement to revive the national economy, not only solutions to break through current adverse situation of America, but also the significant declaration of rejuvenating America.
