Totally Tasteless and Inappropriate: Status Updates From My Social Media Page (Volume 1) Sophie Seara James

With not a single post telling the reader about what she had for dinner or what her cat did last night, and not a solitary selfie or holiday snap, this author pokes fun at everything in life from her own children to dealing with stupidity on a grand scale. In her first book, *Totally Tasteless and Inappropriate, Status Updates from my Social Media Page*, Sophie Seara James takes an irreverent and fun-filled look at her own Social Media page as she shares her status updates from the past few years. It's a book which will make you smile, giggle and occasionally roar with laughter as you flick through the pages and learn that we really shouldn't take ourselves too seriously in life.
